A perspective view of the device 240. It shows an elongated, curved body 244 with a textured surface. At one end, there is a handle assembly 248 consisting of a cylindrical grip with a textured surface and a small protrusion at the end. A line points from the label 244 to the body, and another line points from the label 248 to the handle assembly. The number 2 is written below the device.
